RELIEF STICK NPN #80112909		ARNICA MONTANA OIL OF ARNICA	
Relief Stick is an easy and effective way to relieve inflammatory related joint and muscle discomfort. It is made from all-natural ingredients that provide a cooling sensation and relief for up to approximately 2-4 hours. Derived from a family recipe, RELIEF STICK is a unique blend of herbal ingredients with soothing essential oils such as arnica, eucalyptus and peppermint. Available in an innovative stick format, it glides on easily and is scientifically formulated and tested to ensure the highest quality.		Arnica oil is a natural remedy extracted from the Arnica flower belonging to the sunflower family. It is indigenous to sub-alpine regions of North America and also can be found in arctic regions in Europe and Asia. Arnica oil is a well known herbal treatment for bruises, sprains and muscle strains.	
RECOMMENDED USE		What it does:	
Topical body balm infused with all-natural ingredients that are traditionally used in Herbal Medicine to help relieve pain and/or inflammation in muscles and joints (such as sprains, bruises and/or joint pain).		Arnica oil helps to reduce inflammatory pain when applied topically. It is also used for the pain and swelling associated with bruises, sprains, pulls, muscle aches and arthritis. Since it helps to boost circulation, it encourages a speedier healing process.
